Conflict of interest declaration

By signing this agreement, I hereby declare that:

I have no personal, professional, or financial relationship with any of the applicants, their businesses, or their associates that could create a conflict of interest or the appearance of a conflict of interest.

I will not use any proprietary or confidential information provided by the applicants for personal gain or for the benefit of any third party.

I will maintain strict confidentiality of all applicant information, evaluations, and decisions made during the evaluation process, and will not disclose this information to anyone outside of the PQ-REACT project.

If at any point I discover a potential conflict of interest, I will promptly disclose it to the PQ-REACT project management and recuse myself from the evaluation process related to that particular applicant or situation.

I will conduct all evaluations fairly, impartially, and in accordance with the established evaluation criteria, guidelines, and deadlines provided by the PQ-REACT project.

By signing below, I acknowledge and agree to abide by the terms outlined in this Non-Conflict of Interest Agreement. Failure to adhere to these terms may result in my disqualification as an evaluator for the PQ-REACT project.
